

Parish Family,

We are excited to share the 2017 Bazaar booth totals and Bazaar summary. Our team is already working hard with Father Armstrong on our 2018 Annual Bazaar. To accompany our Summary breakdown, we are asking that you take some time and fill out our 2017 Bazaar Survey Card. We ask that you place these survey cards in the blue boxes located in the back of the church, the social center or the credit union. Our team takes great pride in constructive feedback so that we remain focused on improving our church bazaar annually. Finally, we appreciate everyone's support last year and can't wait to do it all over again this year. The best is yet to come! As we always ask, please continue to pray for great weather for this year's bazaar.

With great love,

Bazaar Operational Team
