A Christmas Prayer Poem

Baby Jesus, child of love,
born of Mary, child of God,
born this night to bring us light,
God with us, Emmanuel.

Bells ring out, a child is born.
Angels sing out,
"Christ the Lord!"
All on Earth rejoice His birth,
a Child of love,
the Promised One.

Hope was born this silent night,
dark no more, eternal light.
He came to bring
us saving grace,
a child of love,
the Holy One.

Word made flesh this holy night,
Living Promise, Lord Divine.
Bringing peace,
goodwill to men,
a child of love, the Chosen One.

Born this night, this sacred night
Jesus Christ,
the Lord Most High,
came to save and show the way,
a Child of love,
the Son of God.

A Prayer for the Year Ahead

May God make your year a happy one!

Not by shielding us from all sorrows and pain,

But by strengthening us to bear it, as it comes;

Not by making our path easy,

But by making us sturdy to travel any path;

Not by taking hardships from us,

But by taking fear from our heart;

Not by granting us unbroken sunshine,

But by keeping our face bright, even in the
shadows;

Not by making our life always pleasant,

But by showing us when people and their
causes need us most,

and by making us anxious to be there to help.

God's love, peace, hope and joy to us for the
year ahead.

Merry Christmas
